

Waltham Forest Jobs – Website Cookie Policy – 2025/26

This Cookie Policy explains how Waltham Forest Jobs uses cookies to enhance user experience and improve our services.

Introduction

This Cookie Policy explains how Waltham Forest Jobs uses cookies to enhance your experience and improve our services. By using this website, you agree to our use of cookies as outlined below.

Cookies and Your Privacy

The Waltham Forest Jobs and Skills Portal connects you to pages on Waltham Forest Council websites that provide information about jobs, skills, and business support for residents.

This website does not collect or request personal information directly from users. However, it does use cookies to improve functionality and gather anonymised data about how visitors interact with the site.

What Cookies Do We Use?

We use different types of cookies to enhance your browsing experience:

- Essential cookies – These are necessary for the website to function properly, such as session cookies that improve navigation and user experience.
- Google Analytics cookies – These help us understand how people use the site so we can improve its content and usability.
- Third-party cookies – Some cookies are set by external services, such as Facebook and other social media platforms when you share content from this site. Other cookies may be set by external websites linked from this portal.

Google Analytics and Data Usage

Google Analytics collects anonymised data to help us monitor website traffic and improve our services. Google automatically deletes site visitor data after two months. The data is not used for advertising but may be used for benchmarking and technical support.

Managing and Removing Cookies

You can continue to use this website even if you remove or disable cookies.

To learn more about cookies and how to manage them, visit the [UK Information Commissioner's Office website](#).
